To Whom It May Concern

Ref: Butvar B-72 - RoHS and ELV 2009.doc

Louvain-la-Neuve, 29 April 2009

Dear Sir or Madam,

**Ref: BUTVAR® B-72 : Compliance with EU directives ELV 2000/53/EC, RoHS 2002/95 EC and WEEE 2002/96/EC**

On behalf of Solutia Inc. St. Louis, Missouri, I am pleased to inform you that the above referenced products are manufactured without the use or addition of substances covered in these directives (cadmium, mercury, lead, hexavalent chromium, brominated fire retardants).

Solutia's Butvar B-72 polyvinyl butyral resin therefore meets the relevant requirements of Directive **2000/53/EC** on End-of-Life Vehicles (ELV), of Directive **2002/95/EC** on the Reduction of Hazardous Substances (RoHS) in Waste Electrical and Electronic Equipment and of Directive **2002/96/EC** on Waste of Electrical and Electronic Equipment (WEEE) including amendments up to the end of 2008.

No regulated heavy metals or brominated fire retardants were detected upon confirmatory analysis.

If you have any other questions, please do not hesitate to contact us.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "Aarts", is positioned above the typed name.
